Skills & Capabilities

I am confident in my abilities to take on any project from concept to final development and anywhere in-between. I am capable of designing for both print and web using fine tuned design skills and practices and then finalize the project using the latest technologies in pre-press and coding.

Software

Adobe Photoshop, Adobe Illustrator, Adobe InDesign, Adobe Acrobat, Adobe After Effects, Adobe Bridge, Adobe Soundbooth, Adobe Flash, Adobe Flex/Adobe Flash Builder, Adobe Pixel Bender, Adobe Dreamweaver, FileMaker Pro, Microsoft Office, iWork, PC/Windows, MAC/OS X

Technologies

ActionScript 3.0, Papervision 3D, XHTML, CSS, JavaScript, jQuery, XML, PHP, Wordpress, Magento, MySQL, Camera RAW

Work Experience

SamataMason
